*A Big Thank You to all the volunteers who helped with the '50s Dinner Show January 20. It takes a big crew to make these dinner shows go smoothly and you all did it with a big smile as well. Also a big thank you to Lynnea, Arnie, and Don for all of your hard work ahead of time and on that day. We look forward to the next one!*  
Debby

*Jim and I thank all our Voyager friends and neighbors, as well as many Voyager employees, who offered kindness and support when my mother, Eunice Hager, passed last February while staying with us. Your cards and visits were a great comfort to us. Mom enjoyed visiting Voyager, attending activities with us, and the gracious way she was welcomed and included by all of you!*
