This is the final copy of the *Compass Points* for the season. We'll be back in October!

NIMBLE FINGERS

In March, 909 handmade items were distributed to the charitable organizations we support. This brings our total this season to 4000+ items! If you're leaving us for the summer, safe travels. If you are looking for something worthwhile to do this summer, we meet year round each Monday & Friday from 1 - 3:30 pm in the Palo Verde Room, with tea and "show and tell" at 3 pm. Come join us.

GLASS FUSION

Please check the weekly schedule posted on the studio door as it may be changing each week. Summer Studio hours will begin in June, probably Monday and Tuesday mornings from 9 am to noon.
