## PASTOR'S CORNER

### It's March ... and Springtime is coming to the Sonoran Desert!

In the Old Testament book of Ecclesiastes, King Solomon wrote: *"There is a time for everything, and a season for every activity under the heavens."* I can't help but think that Solomon must have had a special power of foresight to see the lifestyle of the 55+ community at the Voyager Resort. Reading through this edition of the Compass you can certainly find the time and place for every activity under the heavens! Voyager residents are energetic and active!

Whatever you have on your calendar, I hope you'll add attending the Voyager Community Chapel to your Sunday schedule each week. The Chapel's "Traditional" nondenominational services are held each Sunday at 9:30 am in the Ballroom.

March is a five-Sunday month; The first two Sundays we will complete our "Fruit of the Spirit" study from Paul's letter to the Galatians. Then

- ◆ On Sunday the 17<sup>th</sup> we will start turning our focus toward Easter and the Passion of Jesus as he prepares to face death on the cross.
- ◆ On Sunday the 24<sup>th</sup> we will observe "Palm Sunday."
- ◆ And, on Sunday the 31<sup>st</sup> we will join Christians around the world in celebrating "Easter" the resurrection of Jesus from the grave.

In addition to these services ...

- ◆ On Sunday, March 3<sup>rd</sup>, at 5:30 pm the Contemporary Chapel will meet for the final time this season.
- ◆ On Sunday March 17<sup>th</sup>, at 5:30 pm we will be hosting a unique and special "Passover Seder Service" as we observe God's plan for redemption through the Jewish people ... right up to our own Holy Communion today.
- ◆ Finally, on Thursday March 28, at 7:00 pm we will conduct a "Holy Thursday" Communion service.

The Chapel also features a local charity each month. On the 10<sup>th</sup> we will have a representative from the Tucson Community Food Bank provide an update. Then, on the 17<sup>th</sup>, the Chapel's entire offering will be donated to the Food Bank. Please join us in supporting this worthy organization.

Indeed, there is a time for every activity under the Heavens ... See you in Chapel this Sunday!

Pastor David Pace

# VOYAGER DISPATCH

From the desk of:

Dallas T. Merrill,

Courtesy Patrol Supervisor

**MARCH 2024**

MONTHLY COURTESY PATROL NEWS

## Main Gate Operations

During peak season, delays in entering the park should be expected. Procedures are in place and options are available to the officer to utilize. It is at the officer's discretion how he or she uses them. Honking your horn and screaming obscenities at the officer does nothing more than distract them from getting their tasks done sooner. Thank you for your patience.

## Golf Cart Operators

To drive a golf cart, you must have a valid driver's license. For safety and security, all golf carts must be registered in the Registration Office. While out in the Resort, golf carts may only park in designated golf cart parking areas. Specific handicap parking spaces are provided at many Resort facilities for golf carts.

**Don't forget to use hand signals!!!**

**Children are not allowed to operate a golf cart at any time. Children are never allowed to sit in an operator's lap while a passenger.**

## Exiting Driveways and Carports

Please use extreme caution when exiting your driveways and carports. Numerous reports of near misses have been reported to the Courtesy Patrol. I have had three myself in the last two weeks.

## Exit and Entry Road for Main Gate

Speeding and passing other vehicles are not permitted on these roads or any other roads on site.

## Traffic and Stop Signs

The speed limit is 15 MPH throughout Voyager. The speed limit will be enforced by Voyager for your safety. All vehicles (cars, bicycles, golf carts, etc.) must obey all traffic signs and speed limits.

Everyone needs to stop at all Stop Signs. If the Stop sign is recessed back from the intersection, stop at the sign, and slowly move forward to ensure the intersection is clear before proceeding.

If the stop sign is at an unobstructed view intersection you still must stop, look in all directions and proceed when safe to do so.

## Bay Gate

Please have your guests and contractors use the Bay Gate for entry. There are posted instructions to get remote access.

## Get Lifetime Relief

Neuropathy is treatable, but currently not curable. So, how do you keep it under control? Keep Treating It. This is why I stopped doing in office treatments in 2015 and converted to a home treatment protocol. Recent advances in the treatment technology we starting using in the office in 2008, now provide greater relief to more people with the way maintain the relief for the long term by doing it at home.
